TSRC IS NOW OPEN IN PANORAMA CITY

We have expanded to Southern California! Please find us in Panorama City at the address below:

14860 Roscoe Blvd. Suite #200
Panorama City, CA 91402

WEEKEND APPOINTMENTS NOW AVAILABLE

We are available to provide treatment during the week, evening, and on weekends in-person or via telehealth. Please contact our scheduling team at (415) 346-8640 to inquire!

WE ARE NOW ACCEPTING REFERRALS FOR NEUROPSYCHOLOGY!

For clients who have suffered a traumatic brain injury or loss of consciousness, we offer neuropsychological assessments to evaluate neurocognitive changes, diagnose conditions and make appropriate treatment recommendations.

We have openings for new patient referrals within 1-2 weeks. Please fax referrals to (415) 563-2273, and you may call us at (415) 346-8640 if you have any questions.

CLINICIAN SPOTLIGHT CONSUELO FLORES, PSY.D. DIRECTOR OF CLINICAL OPERATIONS

We are happy to spotlight our new Director of Clinical Operations, Dr. Consuelo Flores!

Dr. Flores graduated Magna Cum Laude from California State University Hayward and received her doctorate from Alliant International University. Dr. Flores is a Spanish-speaking psychologist with over a decade of experience in the Workers' Compensation system and has been an incredible resource for our Latino injured worker community.

TSRC is very fortunate to have Dr. Flores as part of our team. Our patients, staff, and fellow clinicians have greatly benefitted from Dr. Flores' leadership and experience. Thank you for all that you do, Dr. Flores!
